

HERBAL SPRAY TONER

After a good face wash, closing the pores with an astringent toner can dramatically improve and protect the skin. This is especially advisable for anyone with problematic or oily skin, as it helps constrict skin pores, reducing the amount of oils and buildup that may occur throughout the day.

SST's SKIN Herbal Spray Toner is a pore-shrinking specialty; expertly crafted with a blend of astringent Herbal Extracts, along with the well known Witch-Hazel Extract.

This combination of the astringent quality's of a toner and the specific actives selected to achieve such qualities, set SST's SKIN Herbal Spray Toner as the most relevant and useful toner, whenever tighter skin and problematic skin is concerned.

benefits

- Helps shrink skin pores
- Helps balance pH levels
- Helps tighten and protect the skin
- Uses safe and natural herbal astringents

daily application

Morning & Evening
Recommended for use on oily or normal skin.

directions

After cleansing, saturate cotton ball with Herbal Spray Toner. Apply to face in a circular motion. Avoid eye area. For optimal results, follow with a Moisturizer to replenish moisture.

how it works

Astringents are compounds that help shrink or constrict the skin. This is effective at closing skin pores, helping to prevent pores from expanding and opening to receive dirt and excess oil, which can lead to clogged pores, pimples and blackheads.

SST's SKIN Herbal Astringent Toner uses the well-known herbal astringent Witch-Hazel Extract in conjunction with an assortment of other herbal extracts, to deliver the skin tightening and pore shrinking properties.

Witch-Hazel Extract is taken from the leaves and bark of the Witch-Hazel shrub. This shrub is native to North America as well as Japan and China. Indigenous people of its regions have utilized its medicinal properties for centuries. Witch-Hazel Extract is a powerful astringent with strong antioxidant properties, and when used topically has remarkable skin constricting effects.

A blend of other herbal extracts namely; Yarrow Extract, Comfrey Leaf Extract, Hops Extract, Horsetail Extract, Lavender Extract (and) Marigold Flower Extract, Licorice Root Extract, Lemon Peel Extract, and Burdock Root Extract, are all combined for an herbal loaded formula. All these herbal ingredients were chosen for their astringent and skin nourishing properties.

Using SST'S SKIN Herbal Astringent Toner as part of the daily cleansing routine can greatly contribute towards a clearer, and healthier looking appearance, and is a necessary step in gaining the upper hand over problem skin.
