

## MAKEUP REMOVER

SST's SKIN Makeup Remover effectively lifts impurities, oil and makeup prior to cleansing. This rich formula removes all traces of waterproof and long-wearing makeup. Formulated with glycerin, chamomile, citrus and aloe, SST's SKIN Makeup Remover nourishes the entire face while calming and refreshing.

### key ingredients

- Glycerin: Humectant and natural emollient that retains moisture.
- Chamomile: An herb with anti-irritating, anti-oxidant soothing properties.
- Citric Acid: A derivative of citrus fruits and natural pH adjusters known for its astringent properties.
- Aloe: A cellular nutrient, it is a natural moisturizer derived from the aloe plant with the power to heal, sooth and moisturize. With anti-inflammatory properties, it promotes skin hydration and regenerates damaged skin.
- Phenoxyethanol: A natural preservative derived from grain.
- Ethylhexylglycerin: A natural preservative derived from vegetables.

### benefits

- Quickly dissolves makeup without excessive rubbing.
- Balances Natural pH levels.
- Removes makeup and impurities.
